

# Rebuild the World with LEGO® Green City Build on Loan

Staffing of the event is not included. Event organizer to provide at least two staff to supervise the event. Tables to be provided by the venue.

Cost: \$800.00/per weekend or \$1,000.00/ per week ex gst.

A freight charge will apply relevant to location.

Please contact us to discuss your requirements.

**Procedure:**

20 x Large tubs of green 8 stud LEGO bricks and green base plates are provided.

A large area with a place to construct the GREEN CITY is needed. Tables positioned around.

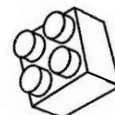

The large tubs of green LEGO bricks provided by Moore Educational are placed in the middle of the tables.

Groups will be given one 25cm X 25cm green LEGO base plate to build their piece of the green city at the tables.

The LEGO base plates are put together on a central area to display the large green city.

Suggested limit of 40 people designing and building their part of the green city at any one time.

The base plates and LEGO bricks are to remain the property of Moore Educational.
