Next Steps:

- Purchase the LEGO set MM3 online and it will be sent via Australia Post. Please allow sufficient time as no express post will be made.
- Open and sort the set by colour. It is best children do not build the models prior.
- Moore Educational will send a ZOOM invitation for the 3 sessions selected and facilitate the sessions for up to 2 children. Parents are to supply the correct email details.
- Download and print the worksheets provided for each lesson. Please supervise the children with their devices and make sure they have the extra materials required.
- It is recommended that children only select to do a max of 2 classes on one day.
- You may reschedule classes within the times given.
- Please note all times are AEST or AEDT (October -March)
