**Information**

We can discuss options on the process of providing these virtual workshops.

1. The teacher will send a ZOOM invitation and allow Moore Educational to co host and facilitate the session. It is up to the teacher to invite students with their own devices or:
2. Moore Educational will send and host a ZOOM meeting to share the presentation on a large screen for the children in the class to participate. It is not necessary for each child to have a device.
3. The 14 x LEGO sets will be sent to your school prior to the workshop along with an invoice for payment.
4. Up to 3 workshops will be run per day.
