Information on the process of providing these virtual workshops:

1. Moore Educational will send a ZOOM invitation for the 3 dates selected and facilitate the session for up to 2 children. It is up to the parent to supply the correct email details, download and print the worksheet and supervise the children with their own devices.
2. The LEGO sets will be sent via Australia Post to the address provided. Please allow sufficient time as no express post will be made.
3. Make sure the set has been unpacked and sorted.
4. It is recommended that children only select to do a max of 2 classes on one day.
5. You may reschedule classes within the times given.
